

# AVID Technology Workshop

## Workshop Details:

Tuesday, December 6, 2011

4:30—7:00 p.m.

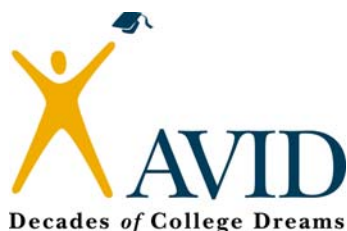

Academics & Professional Development (Cabrillo)

750 25th Avenue

San Francisco, CA 94121

## Who Should Participate?

- ◆ AVID elective teachers and any content area teachers who are looking to implement more technology into their instruction and student work.

## Workshop Highlights:

- ◆ Google Docs in the AVID and content area classrooms to promote teacher-to-student and student-to-student collaboration.
- ◆ Survey building to assess student needs and information
- ◆ Resources for teaching SAT prep and building vocabulary
- ◆ Internet sites for multimedia and project-based learning
- ◆ Fun tools for classroom management
- ◆ Creating online "classroom conversations" about AVID topics, college topics, and more!

## Workshop Specifics

- ◆ Light refreshments provided
- ◆ No fee to attend

**Register online at <http://register.cccoe.net>**

**Registration closes on November 29, 2011. Register early!**

*Confirmation e-mail will be sent one week prior to the training.*
